 Sir,

The rate of toll proposed for an Elephant in the draft notification submitted by this office was Re. One and this rate was approved by the Council. But I find that a rate of Rs. 0 - 1 - 0 has been fixed by the notification issued by the Government. I presume that "0-1-0" is a mistake in typing for "1-0-0," as the rate ^{of} one anna for an elephant will not be a reasonable rate when compared with the rates fixed for other smaller animals. I therefore, request that the Government may be pleased to issue necessary erratum to the notification, if my presumption be correct.
